## **RNBRA Annual General Meeting Minutes**

October 27, 2019

Smitty's Restaurant, Sussex NB

### Attendees:

Adam MacDonald  
Conrad Leroux  
Debbie Craig  
Dollard LeBlanc  
Don Brown  
Gord Holloway  
Jamie Shanks

Jeffrey Young  
Larry Schriver  
Laura Kaderly  
Lorraine Chapman  
Mark McMullin  
Shelley Gregan  
Steven Stewart

The President called the meeting to order at 9:10am and read Article 10.02 of the RNBRA By-Laws.

1. Moment of Silence: A moment of silence was observed to honour our deceased comrades of the shooting fraternity.
2. Opening Remarks: The President introduced those in attendance and welcomed all, including Jeffrey Young who will be appointed as the new RNBRA Treasurer and Jamie Shanks from Sport and Recreation.
3. Agenda Approval: The President asked the floor for any amendments to the agenda. Conrad requested to add item 10.1 Constitution Amendment. Dollard motioned, seconded by Steven, that the agenda be accepted as amended. MOTION CARRIED.
4. Minutes of 2018 AGM: The Recording Secretary read the minutes of the 2018 RNBRA AGM, held on October 14, 2018, which have been posted on the RNBRA website.
5. Matters Arising from 2018 AGM Minutes: The President noted that for the 2019-20 year, the Board has increased the funding available for Youth Programs to \$5,000. Larry moved, seconded by Jeff, to accept the 2018 AGM Minutes. MOTION CARRIED.
6. Activity Reports
  - 6.1. President's Report: The President read his submitted 2019 report. See attached.
  - 6.2. Membership Report: The Membership Secretary read her submitted 2019 report. See attached.
  - 6.3. Audit Committee Report: The Audit Committee has not completed its internal audit of the 2018 financials. This is expected to be completed during Treasurer-position turnover.

# The Royal New Brunswick Rifle Association

*Promoting marksmanship through competition since 1866*

- 6.4. Treasurer's Report: The Treasurer submitted Balance Sheet and Profit Loss statements for the 2018-2019 fiscal year. See attached. The 2019-2020 funds have not yet been distributed to the Sections. Laura McGuire has submitted her external review of the financials. Shelley noted that the fees to use Quickbooks is increasing, but she recommends continuing to use the program.
  - 6.5. Pistol Section Report: Larry Schriver read his submitted 2019 report. See attached.
  - 6.6. Fullbore Section Report: Adam MacDonald read his submitted 2019 report. See attached.
  - 6.7. Benchrest Report: Conrad read his submitted 2019 report. See attached.
  - 6.8. Shotgun & Smallbore Report: Conrad presented the 2019 report. The Shotgun Championship was held in August at Fredericton Trap & Skeet Club with great success and attendees from across Canada and New England. The Provincial Championships was held in October again at FTSC. Steven noted that the club did an excellent job and they hope to host it again in three years. Attendance however was low, possibly due to it being held during a holiday weekend.
  - 6.9. Steven motioned, seconded by Don, to accept all the submitted and presented activity reports. MOTION CARRIED.
7. Committee Reports
- 7.1. Trophy Trustee: Conrad read the submitted 2019 report and moved, seconded by Jeff, to accept his report. Gord thanked Conrad for his continuous work as the Trophy Trustee. MOTION CARRIED.
  - 7.2. Conduct & Discipline Policy: Lorraine presented the two new proposed policies: (1) Code of Conduct and Ethics and (2) Discipline and Complaints. With permission from the DCRA, the Policy Committee modified the existing DCRA policies to suit the RNBRA. Shelley requested one amendment to the Conduct & Ethics Policy Item 6.1 to change "bail conditions" to "undertakings". Steven motioned, seconded by Larry, to accept the two proposed policies as amended. MOTION CARRIED UNANIMOUSLY. Jamie noted the Policy Committee did an excellent job preparing these documents that are important to have as a sport authority.
  - 7.3. Nominations Committee: Larry read the submitted 2019 report. See attached. Larry announced that Steven Stewart was nominated for a Lifetime Membership to the RNBRA. Larry motioned, seconded by Mark, to accept his report. MOTION CARRIED.

# The Royal New Brunswick Rifle Association

*Promoting marksmanship through competition since 1866*

## 8. Elections of Officers for 2019/2020:

8.1. Due to a full slate of officers on the ballot, nominations from the floor were not accepted. Larry and Laura distributed ballots. The nominees were:

1. President: Debbie Craig
2. 1st Vice-President: Steven Stewart
3. 2nd Vice-President: Lorraine Chapman
4. Director at Large: Adam MacDonald
5. Director at Large: Dick Platt
6. Director at Large: Larry Schriver
7. Lifetime Member: Steven Stewart

8.2. Jamie, Laura and Shelley tallied the votes. The full slate of officers as nominated was elected by majority. Larry thanked everyone who volunteered their name to stand for election. Gord also thanked everyone, especially Conrad who had served as Past President for 3 years and Debbie who will be the second female RNBRA President. Steven thanked everyone for the special nomination, stating he was completely surprised. Debbie thanked Gord for his work as President. Laura moved, seconded by Jeff, to destroy the ballots. MOTION CARRIED.

## 9. Comments from Affiliated Clubs:

9.1. Lake George Gun Club: Lorraine said they have been working at Lake George to bring the range up to the code, with great help from Steven. They have also purchased an AED, first aid kit and trauma kit. Range policies include inspecting this equipment twice a year and ensuring someone trained in First Aid is at every match. Some issues their members are facing are the long waitlist to get their licenses renewed. Gord noted that the RNBRA is trying to build a relationship with the CFO. On Dollard's recommendation, Lorraine volunteered to reach out to Wade Clifford for assistance/information.

9.2. Saint Anthony: Dollard described some of the improvements that have been installed at the range, including a parking lot, new backstops, new frames and new shelters over the benches. He also noted they are considering building an indoor range.

9.3. Woodstock Pistol & Rifle Club: Jeff said the club has increased its membership to 283 members due to land acquisition and range improvements.

9.4. Thomaston Corner Shooting Club: In 2019, Larry said, the club hosted its first Black Badge Course and was able to host Level II matches. The club currently has around 66 members.

# The Royal New Brunswick Rifle Association

*Promoting marksmanship through competition since 1866*

## 10. New Business

- 10.1. Constitution Amendment: Conrad noted that to allow for the development of more sections within the RNBRA, the Constitution Item 5.1 should be modified to read, "Members **and/or affiliated clubs** of the Association may group themselves into Sections or Provincial Organizations based on shooting disciplines. The establishment of sections will follow due parliamentary process including prior notification of intention to establish a section to RNBRA affiliated clubs and public election of officers. The section will have a constitution/by-laws and will be financially sound." See attached submitted background information and Notice of Motion. Conrad moved, seconded by Jeff and Larry, that this be brought to the RNBRA Board and, if acceptable to the Board, be voted on at the 2020 AGM. MOTION CARRIED. Jamie noted that we have a local sporting representative that can assist with development of by-laws & constitutions.

The RNBRA AGM was adjourned at 11:25 am.

Prepared by Laura Kaderly

## RNBRA Annual General Meeting

### President's Report

Gordon Holloway

Sussex New Brunswick

October 27, 2019

I have completed 3 years as RNBRA President and it is time to pass the responsibilities along and move into other roles. It is also a good opportunity to reflect on the RNBRA and its role in the NB shooting community. The primary roles of the RNBRA are the development of civilian marksmanship through competition and firearms safety. It is, however, the promotion of civilian marksmanship that is unique to the RNBRA.

To fulfill this role requires that the RNBRA support competitive events in each of the shooting sports. Last year, RNBRA sanctioned provincial championships were held for fullbore, shotgun, benchrest and smallbore. In every case, these events take a lot of effort on the part of RNBRA members and host clubs. However, provincial level competition is essential for exposing NB shooters to high levels of skill and preparing them for national and international competition.

From my own experience in fullbore, I can say that the competitive shooting program run by the RNBRA developed top F-Class competitors who finished 1<sup>st</sup> and 2<sup>nd</sup> in the Canadian National in 2018 and 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> in the 2019. The NB F-Class Rifle Team has won the National LUM match both in 2018 and 2019. The Canadian Bisley F-Class Rifle team, composed of 3 NB shooters and 1 Quebec shooter, won the International Match at the 150<sup>th</sup> Imperial Meeting in Bisley England in 2019. NB shooters won 2 of 3 Challenge Cups at Bisley and 2 dozen match medals. This level of success must be developed over time at lower levels

## The Royal New Brunswick Rifle Association

*Promoting marksmanship through competition since 1866*

where leadership can emerge to develop and focus other athletes. The RNBRA fullbore has a 150-year history of doing just that and there have been many similar successes over the years.

The competitive program in practical pistol in NB is run by IPSC-NB with RNBRA support, and it provides a comprehensive structure of competition which culminates in provincial level championship. It produces shooters that compete and win at the national and international level. The IPSC National Championship will be held in NB in 2021.

Having a province wide competitive frame work is an essential for development of top athletes. In NB this means working with shooting clubs to host events and attract members to competition. The RNBRA initiated an Outreach Program to visit RNBRA affiliated shooting clubs and reinforce the marksmanship and competition that is already in place. This program will be continued in 2020 and combined with expanded support for Youth Programs that teach firearms safety and marksmanship.

It is my hope that the RNBRA can build on our recent successes and expand our competitive shooting programs to include more of the shooting disciplines.

Serving as President of the RNBRA has been an honour and working with the volunteers that make up the RNBRA Board has been a pleasure.

Good Shooting

A handwritten signature in black ink, appearing to read "Gordon Holloway". The signature is fluid and cursive, with a large initial "G" and "H".

Gordon Holloway

# The Royal New Brunswick Rifle Association

*Promoting marksmanship through competition since 1866*

As of October 26, the RNBRA has 19 affiliated clubs (see list below) which include a total of 3296 members, almost 10% more than last year. Of those members, 6% are female and 2.5% are under 19. The majority of clubs affiliated prior to April and one club affiliated under the First-Time Affiliation Program, with their 2019 fees waived.

There are currently 111 individual members, which is 10 members less than last year, but still 10 members more than 2017. Almost 16% are female (8% higher than 2018) and there are no registered Youths (Under 19). 70% of members are also members of affiliated clubs. 47 members joined at RSO courses. The last membership was submitted at the end of July.

If anyone is interested in renewing today for 2020 and their information has not changed from last year, see me at the break or after the meeting to pay & receive your card.

## **Pistol Section Report**

Prepared by: Larry Schriver  
October 27th, 2019

IPSC NB currently has 183 members. The 2019 shooting season saw 24 sanctioned Level 2 and two Level 3 matches held throughout the province. There were 12 Black Badge courses conducted that introduced 64 new competitors to the sport

Five new Range Officers and four new Chief Range Officers were trained this year.

The 2019 IPSC New Brunswick Provincial Championships were held at the Woodstock Pistol & Rifle Club on September 14 and 15<sup>th</sup>. This year's competition was the largest in the province's history with 76 competitors representing the provinces of QC, NL, NS, PE and NB.

All IPSC divisions were represented which included Open, Standard, Production, Production Optics, Production Optics Light, Classic, Revolver, and for the first time Pistol Calibre Carbine. Awards were also presented in several categories including Production Senior, Production Optics Senior, Production Optics Super Senior, Ladies Production and Junior.

This competition also met IPSC World's requirement of 5 competitors in several of these categories and provided President's Medals for the match in the following categories: Production Senior, Production Optics Senior, Production Optics Super Senior, and Ladies Category.

The 2019 IPSC NB Annual General Meeting was held on the range after the match and was attended by approximately 30 members. Rick Telesnicki was acclaimed as Section Coordinator and will hold this position for the next two years. Eight clubs have appointed Club Representatives who serve on the Executive for a one year term.

The funding provided received from the RNBRA greatly enhances the IPSC program here in New Brunswick. These funds allow us to provide officials training in various locations in the province.

Respectfully submitted by Larry Schriver  
RNBRA Pistol Section Representative

## **2019 Annual Report of the RNBRA Fullbore Section to the Annual General Meeting of the Royal New Brunswick Rifle Association**

Adam MacDonald, October 25, 2019

2019 was a very successful year for New Brunswick fullbore shooting. We hosted 15 fullbore events at Batouche on Gagetown, St Antoine, and St Gabriel ranges, as well as 7 black powder and precision rifle matches at Batouche, and 3 precision rifle matches at Enniskillen.

Thank you to our 9 fullbore match directors this year from three host clubs, who were Mark McMullin, Conrad Leroux, Daniel Chisholm, Paul Bastarache, JC Gautreau, Ron Surette, Michelle Cormier, Gord Holloway, and myself.

Thank you to the fullbore section executive, which consists of myself (chairman), Mark McMullin (vice chairman and representative to the RNBRA board), and Ken Kyle (treasurer). Our secretary Don Coleman passed away in January. He was a dedicated target rifle shooter who supported the fullbore section for many years and will be missed. Thanks to Mark Cormier for stepping in as secretary this year.

Early this year we completed a full set of 12 new target frames, which are much easier to set up. Thanks to Ken Kyle and Mark Cormier for building these frames at home. It was a lot of work and it is much appreciated by everyone who helps set up for a match.

We had a challenge at the start of this year with range bookings. We ran into a change in procedure that almost caused us to lose access to the range. Gord and Mark stepped up and navigated the paperwork and ensured that we did not have any major scheduling problems.

This year we hosted the Eastern F-Class championship for the second time. This is a national level event which was attended by 27 competitors from New Brunswick, Nova Scotia and PEI, as well as three shooters from Ontario, three from Quebec, two from Maine, and one each from Michigan, Tennessee, and New Hampshire. The top individual scores were by the same shooters as last year: Gord Ogg in F-Open and myself in F-TR. We also held a team match with six full teams, which was won by the team from Ontario in F-Open and New Brunswick in F-TR. The match went very smoothly and everyone had a great time.

We had 12 shooters at our provincial prize match this year, with top prize going to myself in FTR class and Marcel Kolb in TR class, both only 1 point over second place.

This year four F-Class shooters (myself, Francis Bezeau, Gord Holloway, and Ken Kyle) from New Brunswick travelled to Bisley in England and joined four other F-Class shooters from Quebec and PEI to form the Canadian F-Class team. This was the first time in many years that Canada has had an F-Class team at Bisley, and I would say we made quite an impression on our British hosts.

Gord Holloway finished 3<sup>rd</sup> place in the grand aggregate, Ken Kyle was 6<sup>th</sup> place, I was 8<sup>th</sup>, and Francis Bezeau was 15<sup>th</sup>. Gord also finished first place in the match rifle competition a week earlier, which uses the F-Class target at 1200 yards, which is incredibly challenging.

The highlight of the journey was our team winning the International team match, which was fired against teams from England and Germany. Despite the other teams using only F-Open rifles, we managed to win with an even split of F-Open and FTR. It was an incredible experience and really shows how all of the shooters from the Atlantic provinces can consistently perform at the highest level anywhere in the world.

Special thanks to Gord Holloway for taking on the massive challenge of shipping 2600 rounds of ammunition across the ocean, which turned out to be extremely challenging to organize. Our success would not have been possible if the ammunition didn't get there on time, and it was close. Thanks to Marius Dechamplain for driving the boxes to Ottawa and Kathy Corcoran and Daniel Chisholm for repacking boxes at the DCRA office.

This year at the Canadian F-Class Nationals there were six F-Class shooters from New Brunswick: myself, Gord, Ken, Mark Cormier, Tony Pham, and Matt Wolf. Dave Harry from Alberta won the grand aggregate this year, but New Brunswick shooters were right on his heels with Gord in 2<sup>nd</sup>, myself in 3<sup>rd</sup>, and Tony in 4<sup>th</sup>. Ken Kyle finished 10<sup>th</sup>, Matt Wolf in 11<sup>th</sup>, and Mark Cormier in 19<sup>th</sup>, out of a total 29 FTR shooters.

Tony's 4<sup>th</sup> place finish at the nationals is a significant improvement over last year. He has been practicing nearly every week and his dedication to improving in F-Class is really paying off.

Team New Brunswick also finished first place in the team match for the second year in a row.

Daniel Chisholm was the only TR shooter from New Brunswick to attend the nationals this year and finished 79<sup>th</sup> out of 90 shooters.

The Inter-maritime team match was held in Nova Scotia this year, and team New Brunswick finished first ahead of Nova Scotia by only 2 points. Last year we won by 1 point, so that's a solid improvement. We also won the British Team match the following day. Special thanks to Perry Wright and Roly Trainor who both travelled out of province to shoot for the first time, and Ian Hogg from PEI who also joined our team due to some last minute cancellations. It's also worth noting that Perry Wright had the highest overall individual score at the British team match.

The Atlantic Championship and Mini Palma were set to be held in PEI this year, but at the last minute the PEI rifle association lost access to Alexandra range and were not able to host the match. It was decided to hold the match at Batouche, and the match went extremely well, with 33 total competitors from the Atlantic Provinces and New England states. The top scores from the Atlantic Championships were Ian Hogg from PEI in TR class, and myself in FTR. The Mini Palma match was held the following day and our team from Canada won by a decisive margin of 111 points. Thank you to all of our American friends for changing their travel plans and making this event the largest match we have held in many years.

Special thanks to Dollard Leblanc for acting as range officer at our major events, and to Conrad Leroux for taking care of the medal engraving. Also thanks to Mark McMullin for providing a barbecue lunch at pretty much every match he goes to.

Mark McMullin hosted three 2-day precision rifle matches year, in May, July, and September. Mark has secured access to Enniskillen range on Gagetown, which is a wide open area that allows steel targets at distances from 300 meters all the way to 1425 meters. This is a really unique experience and all three matches were well attended. While precision rifle is very challenging at the high level, it is easier to get into than F-Class or TR and I believe it is very important that we continue to support this program in order to encourage more casual shooters to start competing and focusing on improving their skills.

The RNBRA fullbore section ran a very busy schedule this year. All of our matches ran smoothly, many of our shooters placed at the top in major events, and New Brunswick when shooting as a provincial team was undefeated at every match we competed in this year.

We look forward to continued success next year. Respectfully submitted to the board and members of the RNBRA,

Adam MacDonald, Fullbore Section Chairman

## RNBRA 2019 TROPHY TRUSTEE REPORT

October 24, 2019

The Fullbore APM trophies and the Smallbore trophies were obtained from Bert DeVink's residence for 2019 competition and engraving. Those normally stored in Building J7 were returned there by myself on October 17. The others were returned to storage at Bert's. Building Manager of J7 is Sgt. Jesse Borgatti. (422-2000 Ext.3639) His assistant is Cpl. Yvon Bertin. Several keys for the display cabinets are missing and they will arrange for new locks.

The Langstroth Trophy #45 has been missing for 3 years following a Fullbore APM. It may yet turn up.

On October 22, I met with Michelle Bissonnette, Executive Director of the Military History Museum on Base Gagetown (422-2000 Ext.2563). Mr. Jason Meade, Museum Technician, also attended. Ms. Bissonnette confirmed that the trophies remaining stored in the museum may remain. Storage space is no longer a problem. Those trophies previously stored at the museum which are regularly competed for have been kept at Bert DeVink's residence. These include:

#33	Shute & Co.	#37	Sussex Mercantile
#38	Corporation Cup	#41	Merchants' Cup
#46	Coles	#50	Lt.Col. Loggie
#90	MacGillivray Agg.	#69	Bols

Others at Berts from J7 are:

#97	Brig T. Eric Snow	#83 and # 98:	Air Rifle Trophies
-----	-------------------	---------------	--------------------

Several other un-numbered miscellaneous trophies not in use that should probably be discarded.

Our 5-year agreement with the museum expires in December 5, 2020 so a future meeting with Ms. Bissonnette will be required next year to make any future arrangements. No particular problems are anticipated.

The Prince of Wales Trophy remains prominent display on long-term loan in Old Government House and has been updated with names of 2019 winners.

The new Benchrest Plaque has been engraved with the 2018 and 2019 winners names. It will be loaned to the winners for brief display at their homes and then returned for storage at Bert DeVink's home.

There has been no contact in 2019 with 2<sup>nd</sup> Battalion RCR concerning trophies stored on their premises. I don't think that these have been competed for in several years.

Steven Stewart is presently in possession of trophies number 65, 66, 67, 68, 91, and 102. These are pistol trophies. After/if they are awarded this year, they should be returned to normal storage at Building J7.

Recommended future tasks:

1. Meet with Ms. Bissonnette in 2020 to settle Museum trophy storage issues for the next 5 years;
2. Arrange and conduct inventory of trophies stored at J7 and 2RCR in Spring, 2020;
3. Prepare an updated master list of trophy storage by location (the old list is attached);
4. Attempt to arrange insurance coverage for trophies stored at Bert DeVink residence. Efforts to date to obtain valuations for these trophies have so far been fruitless. My suggestion is to simply estimate replacement cost of similar trophies and use that as insurance coverage value.

*Promoting marksmanship through competition since 1866*

## **Nominating Committee Report AGM**

**October 29<sup>th</sup>, 2019**

### **Nominations were received for the following positions:**

1<sup>st</sup> Vice President                      Steven Stewart

2<sup>nd</sup> Vice President                      Lorraine Chapman

No nominations were received for President or for Directors-at-Large by the nominations deadline so the committee began reaching out to RNBRA members. The following individuals have since put forward their names for these positions:

President                      Debbie Craig

Director at Large                      Richard "Dick" Platt

Director at Large                      Larry Schriver

Director at Large                      Adam MacDonald

There is also a nomination this year for a lifetime member: Steven Stewart

## BACKGROUND

At present, only the Fullbore Rifle Section insists on its members being regular members of the Association. This historical approach is necessitated because much Fullbore shooting is conducted at DND's Batouche military range.

RNBRA has accepted a role of representing the interests of Affiliated Clubs. The vast majority of members of affiliated clubs do not have regular membership in the Association. Also, RNBRA recognizes IPPSC as its Pistol Section although very few IPPSC members are regular members of RNBRA. Also the affiliated Fredericton Trap and Skeet Club is in many ways the equivalent of a Shotgun Section despite having few regular RNBRA members.

Also, present efforts to establish a Benchrest Section, if successful, would join affiliated clubs, most of whose members are not regular RNBRA members.

NOTICE OF MOTION TO AMEND THE RNBRA CONSTITUTION AND BYLAWS  
FOR DECISION AT THE RNBRA AGM IN FALL OF 2020

It is hereby moved :

To add the words "and/or affiliated clubs" to Article 5.1 of the RNBRA, Inc.  
Constitution so as to read:

"5.1 Members and/or affiliated clubs of the Association may group themselves  
into Sections or Provincial Organizations based on shooting disciplines. The  
establishment of sections will follow due parliamentary process including prior  
notification of intention to establish a section to RNBRA affiliated clubs and public  
election of officers. The section will have a constitution/by-laws and will be  
financially sound."
